Monthly Donations are a way to help sustain our programs year round.

Endow a scholarship fund - with a contribution of \$25,000 or more, in one payment or a five-year pledge, you can support the future through scholarships to deserving students through a named fund. A \$50,000 endowment will allow the Foundation to award a scholarship *annually* in your name.

Create a Sponsored Scholarship - If endowing a scholarship at this time seems like too big a leap, consider creating a Sponsored Scholarship, a commitment of \$2,500 per year (plus a small administrative fee) to cover the cost of a scholarship for a student.

Contribute to a Dedicated Fund - The Foundation's new initiatives, Faculty Internships and Industry Case Studies, will be supported through contributions to dedicated funds created by the Foundation. If your interest lies in one of these areas, consider a contribution to one of these innovative funds.
